No-cost educational program is open to public on April 19th

Waukegan, IL, March 20, 2007: Did you ever get to the end of the month, only to discover that it was a few days longer than your income? Have you ever asked yourself, "What happened?" You're not alone: in fact, that situation happens more often than you might think. You'll find some practical solutions to financial challenges when you attend, "10 Steps To Financial Success," a no-cost seminar hosted by Consumers Credit Union and Consumers Cooperative Association.

"Most people would no-doubt like to achieve greater financial success," said Sean M. Rathjen, President of the Member-owned credit union. "10 Steps To Financial Success provides the tools to help make that possible. Those in attendance will receive practical, no-nonsense suggestions that just about anyone can use . . . but very few people actually do.
