### ACCOUNT DISCLOSURES

**Except as specifically described, the following disclosures apply to all of the accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.**

**1. RATE INFORMATION** — The Annual Percentage Yield (APY) is a percentage rate reflecting the total amount of dividends to be paid on an account based on the dividend rate and frequency of compounding for an annual period. For all accounts the Dividend Rate & Annual Percentage Yield (APY) may change daily as determined by the Credit Union's Board of Directors. The Dividend Rates and APYs are the prospective rates and yields the Credit Union anticipates paying for the applicable dividend period. The Money Market and IRA Money Market accounts are Tiered Rate accounts. If your Daily Balance is \$1,999.99 or below, the first Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is from \$2,000.00 to \$19,999.99, the second Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$20,000.00 to \$39,999.99, the third Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$40,000.00 to \$69,999.99, the fourth Dividend Rate and Annual Percentage Yield listed for this account will apply. If your Daily Balance is from \$70,000.00 to \$99,999.99, the fifth Dividend Rate and Annual Percentage Yield listed for this account in the Rate Schedule will apply. If your Daily Balance is \$100,000.00 or greater, the sixth Dividend Rate and Annual Percentage Yield listed for this account will apply. Once a particular range is met, the Dividend Rate and APY for that balance range will apply to the full balance of your account. The Rewards Checking account is a Tiered Rate account. Please refer to section 2 for additional details.

**2. REWARDS CHECKING** — The Rewards Checking account is a Tiered Rate account. If you meet all of the all basic service requirements during the calendar month, the applicable Dividend Rates and Annual Percentage Yields listed for this account in the Rate Schedule will apply. The basic service requirements include: a) you make twelve (12) PINless card transactions (any

transaction that does not require a PIN) that post to and clear your Reward Checking account as a credit transaction; b) you access Online Banking at least once; c) you receive e-Documents (must have enrolled and accepted the disclosure); and d) you have a direct deposit or ACH debit (including Bill Payment) post to and clear your Reward Checking account.

You will earn the Tier A Dividend Rate and Annual Percentage Yield if you meet the basic service requirements and have \$1,000 in credit card purchase transactions during the period beginning on the 28th day of the prior calendar month and ending on the 27th day of the current calendar month. Credit Card purchase transactions must post and settle on or before the 27th of the month and be transmitted to Consumers Credit Union on or before the last business day of the month to qualify. Transactions may take two or more business days from the date of the purchase transaction to post to your credit card account. Transactions must be coded as a purchase. Purchase transactions that post and settle after the 27th, or those transmitted after the final business day of the current month, will count towards the following month's Rewards criteria. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.

You will earn the Tier B Dividend Rate and Annual Percentage Yield if you meet the basic service requirements and have \$500 in credit card purchase transactions during the period beginning on the 28th day of the prior calendar month and ending on the 27th day of the current calendar month. Credit Card purchase transactions must post and settle on or before the 27th of the month and be transmitted to Consumers Credit Union on or before the last business day of the month to qualify. Transactions may take two or more business days from the date of the purchase transaction to post to your credit card account. Transactions must be coded as a purchase. Cash advances and other transactions such as bill payments will not be considered for qualification. Purchase transactions that post and settle after the 27th, or those transmitted after the final business day of the

current month, will count towards the following month's Rewards criteria. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.

You will earn the Tier C Dividend Rate and Annual Percentage Rate if you meet the basic service requirements but do not meet either of the credit card purchase transaction criteria required to earn a higher rate. The balance ranges and corresponding dividend rates and annual percentage yields applicable to each tier are disclosed in the Rate Schedule. Each dividend rate will apply only to that portion of the account balance within each balance range.

When you meet all of the basic service requirements for the calendar month, ATM fees incurred during the month will be refunded to you. If you fail to meet any of the basic service requirements during a calendar month, the applicable Dividend Rate and Annual Percentage Yield listed for this account will apply to the entire balance in the account and your ATM fees will NOT be refunded. One Rewards Checking account is allowed per member. Business accounts are not eligible for rewards. Qualifying credit card purchase transactions must be made using a Consumers Credit Union-issued card. Credit card purchases that are returned will not count towards the credit card purchase transaction requirements. The value of credit card purchases will be reduced by the dollar value of any returned item(s) during the qualification period in which the return was made.

**3. NATURE OF DIVIDENDS** — Dividends are paid from current income and available earnings after required transfers to reserves at the end of the dividend period.

**4. DIVIDEND COMPOUNDING AND CREDITING** — The compounding and crediting frequency of dividends and dividend period applicable to each account are stated in the Rate Schedule. The Dividend Period is the period of time at the end of which an account earns dividend credit. The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period.

**5. ACCRUAL OF DIVIDENDS** — For all earnings accounts, dividends will begin to accrue on non-cash deposits (e.g. checks) on the business day you make the deposit to your account. If you close your account before accrued dividends are credited, you will not receive the accrued dividends.

**6. BALANCE INFORMATION** — To open any account, you must deposit or already have on deposit the minimum required share(s) in a Membership Share Savings account. Some accounts may have additional minimum opening deposit requirements. The minimum balance requirements applicable to each account are set forth in the Rate Schedule. For Money Market, Rewards Checking and IRA Money Market accounts, there is a minimum Daily Balance required to earn the APY disclosed for the dividend period. If the minimum daily balance is not met each day of the dividend period, you will not earn the stated APY. For accounts using the Daily Balance method as stated on the Rate Schedule, dividends are calculated by applying a daily periodic rate to the balance in the account each day.

**7. For Christmas Savings Account accounts, the entire balance will be transferred to another account of yours on or after November 1st and the account will remain open. You may not make withdrawals from your Christmas Savings Account accounts at any other time. If you wish to access the funds in your Christmas Savings Account accounts you may close it.
